WORLD CONVENTION PLANNED

Sunday School Representatives Will Meet in 1910.

District Association in Annual Session Discusses Plans for Grand Gathering in Washington.

At the closing session of the sixteenth annual convention of the Sunday School Association of the District of Columbia, last night at the Mount Vernon Place M. E. Church South, Dr. George W. Bailey addressed the convention in regard to the world's convention of Sunday schools to be held here in May, 1910.

Foreign missionaries from all corners of the globe, representing thirty-six countries, he said, will attend. He urged that all Protestant Sunday schools in the city hold mass meetings.

Sunday, May 22, will be observed throughout the world as Sunday School Day. Dr. Bailey stated. Services will be conducted in a hundred languages.

Yesterday Dr. Bailey held a conference with the local committee on arrangements concerning the details of the May convention.

Following Dr. Bailey's address, Dr. H. M. Hamill, in an illustrated lecture on Japan, spoke in praise of her railroad system, and endorsed government ownership of railroads as practiced in Japan, saying that the management of the roads exceeds that of any road in this or other countries. Dr. Hamill spoke of the great loss to Japan of the late Prince Ito, and said that his influence largely contributed to the strong foothold that Christianity has in Japan.

It was unanimously resolved that the district association do its share in raising the \$50,000 for the Bible Society to meet the requirements of Mrs. Russell Sage's offer.

At the morning session, declaring that the opening of motion pictures shown on Sunday was demoralizing to the young children of Washington, Mrs. Emily L. Newton, president of the Home Department Union of the District Sunday School Association, urged the members to aid in the enforcement of a law prohibiting this form of Sunday amusement, which has already decreased the attendance at religious services. In her report, Mrs. Newton stated that the work and membership had increased largely in the past year.

Other addresses were made by Mrs. Margaret Ernst, the secretary; Mrs. E. S. Foster, Mrs. Robert Jenkins, Mrs. H. Hendricks, Mrs. L. F. Earl, and Dr. H. Hamill. The officers for the ensuing

Excess fat is a disease—a dangerous disease. You read almost every day of people dropping dead from apoplexy, fatty degeneration of the heart, etc., which means that there is too much fat.

Avoid these dangers by using Rengo's nature's remedy for reducing fat. Rengo is pleasant to take—you eat it like fruit or candy.

It compels the proper assimilation of food by the blood, and the nutriment goes where it belongs and builds up the muscle, brain, and nerves, instead of piling it up in the form of excess fat.

You can easily reduce fat to the extent of a pound a day by the use of Rengo, and do it with perfect safety, for Rengo is harmless.

There is nothing "just as good" as Rengo. For sale by all druggists at \$1.00 per full sized box, or by mail prepaid, by the Rengo Co., 322 Rengo Bldg., Detroit, Mich.

The company will gladly send you a 5c box free by mail, if you will write them direct to Detroit and enclose 10 cents in silver or stamps to help cover postage and packing; no free packages at drug stores.

For sale and recommended in Washington, D. C., by E. Evans, 284 F. St. n.w.; Affleck's Drug Store, 142 Pa. ave. n.w.; People's Drug Store, 824 7th St. n.w.

NEWS OF ALEXANDRIA

Carlin Assails the Republican Party.

SECTIONAL HATRED CHARGED

Large Audience Hears Speeches at Opera House—Jury Awards Robert Bender \$450 Damages—Young Men's Senate Nominates Officers—Dr. Carl Grammer Lectures on Psychology.

F. Clifton Knight, 625 King street, Alexandria, Va., is authorized agent and carrier for The Washington Herald. The Herald will be delivered daily and Sunday to any address in Alexandria for 50 cents a month.

WASHINGTON HERALD BUREAU, 625 King Street.

Alexandria, Va., Oct. 27.—For two hours and a half to-night a large audience, which filled the opera house, among whom were many women, listened to campaign speeches by Representative Carlin, Harry S. George Tucker, and Robinson Monroe, the latter candidate for the house of delegates.

Representative Carlin, in speaking of the proposed annexation of Alexandria to Washington, said he proposed to fight any such measure. Continuing, he said: "I have great respect for Mr. Taft, and believe he is an upright, honest man with splendid impulses and purposes, and a genuine desire to be friendly with our Southern people, but there will never be any beneficial results from his efforts as long as he heads the counsel of the little band of officeholders and office seekers, headed by Lowery and Alva Martin, and permits campaigns in Virginia to be conducted in violation of the law by Federal officials. No Alexandrians of either party should support him as long as he advocates the annexation of this territory to the District of Columbia."

The speaker asserted that the Newport News Republican convention was made up of 85 per cent of Federal officeholders, while the remainder expect to be. He declared Mr. Kent's statement that the Democratic party was an officeholding trust, and declared that Kent was in reality a Federal officeholder. The entire time he called was a fiasco. Mr. Carlin said M. C. Lowery was the referee of the officeholding trust in Virginia with the Republicans, while for Federal officeholders, George Tucker, Alva Martin constitute a complete trust.

Extravagance on the part of the Republicans was charged by the speaker, who said \$600 new offices were created last year, and that there has been an increase in the tariff of 24 per cent. The increased State appropriations were shown by the speaker to be used for schools, pensions for Confederate soldiers, and State institutions. He promised to be favored good roads, and was of the opinion that the government should furnish money for them as well as for waterways. In conclusion, he said the Republican party was one of sectional hatred, born in it, and nourished on it. He also said that the party had resisted the disfranchisement of the negro.

Harry S. George Tucker began to pick to pieces the platform of the Republican party. He ridiculed the charge of extravagance, saying the State's money was expended for the schools, Confederate soldiers' pensions, and asylums. He defended the increase of salaries of State officers, asserting it to be just, and added that an increased tariff was responsible for any increase of salaries. Continuing he said: "Democracy can clear its skirts of extravagance; and if they cannot, vote them out of power."

A dig at the attitude of the party on the liquor question was also taken by Mr. Tucker, who said they favor "the traditions of the policy of the party."

Robinson Monroe thanked the voters of the city and county for the splendid vote given him in the primary. He said he favored any reasonable proposition for improving State roads; uniformity in school books, and of the laws to invite outside capital to come into the State.

On the question of railroads he said he was opposed to grievous burdens being placed on them, that they should be treated like other corporations. He promised to use his best efforts to treat each justly, and concluded by telling of the good work accomplished by the Democratic party.

The speakers were introduced by Charles Bendheim, chairman of the city committee, who paid compliments to all, and he delivered a tribute to Mr. Tucker of considerable length.

Those occupying seats on the stage were: R. S. Barrett, S. G. Brent, J. R. Carter, Robert Snowden, J. R. N. Curtin, C. B. Marshall, J. Fred Birrell, R. H. Cox, S. P. Fisher, R. D. Brumback, and T. L. Rishell.

During the intermission between the speeches, an orchestra, under the direction of Prof. Carlton Padgett, furnished music. Harry S. George Tucker, during his stay in this city, was the guest of S. G. Brent.

A jury in the Corporation Court this afternoon, Judge L. C. Barley presiding, took place yesterday at 10 o'clock in the presence of his wife, a committee from St. Vincent De Paul Society, and a few friends. The burial service was read by Rev. James A. Smyth, the service being held at the residence of Mrs. S. G. Brent.

Plans have been made by the Young Men's Senate for an oyster roast, which will be held November 18. The annual election of officers will take place Tuesday night next. Those placed in nomination are: Carl W. Shaffer and Thomas Clarke, president; Charles Wright, vice president; Rev. C. D. Bull, J. G. Graham, and John Monroe, chaplain; J. O. Williams, financial secretary; Joseph Goldsmith, assistant financial secretary; F. C. Knight, sergeant-at-arms; Joseph Goldsmith, assistant sergeant-at-arms; A. M. Dawson and Robert Zachary, journal clerk; William Luckett and J. G. Graham, secretary; Joseph Goldsmith, postmaster; F. C. Knight and W. N. Harper, senators; and C. B. Baggett and E. W. Jenkins, reading clerk.

Dr. S. S. Laws of Washington, to-night delivered the fourth of a series of lectures at the Second Presbyterian Church. His subject this evening was "The Logos." As a result of the caving in of a bank of sand, Frank Cole was today seriously injured. The accident happened on what is known as the Telegraph road, near Cameron Run, west of Alexandria. Cole's injuries were dressed by Dr. T. M. Jones, of this city.

The first of a series of three lectures was delivered by Rev. Dr. Carl Grammer, of St. Stephen's Church, Philadelphia, before the students of the Episcopal Theological Seminary at the chapel of the seminary this afternoon. His theme was "Some talks and helps brought by psychology." The lecture was delivered at 5 o'clock to-morrow afternoon, and the third at to-morrow afternoon.

DR. BROWN GIVES ADDRESS.

Commissioner of Education Makes

Talk on Library Work.

Dr. Elmer Ellsworth Brown, United States Commissioner of Education, last night addressed the regular monthly meeting of the District of Columbia Library Association in the children's room of the Public Library on "Recent work of the library of the bureau of education."

After reviewing the work in relation to the library, Dr. Brown spoke in the highest terms of former Librarian W. D. Johnston, now Librarian of Columbia University, New York, who, during his tenure of office, from September, 1907, to May, 1908, rendered the most efficient service to the library.

The library contains about 4,720 bound volumes and about 80,000 pamphlets.

Dr. Brown also advocated the placing of various libraries of government bureau and executive departments under one head with a view to increasing efficiency. A brief address of greeting was delivered by W. W. Bishop, acting president.

M. N. Small was elected secretary to fill the unexpired term of C. P. Vitz, now head of the public library of Albany, N. Y. After a social hour, refreshments concluded the meeting.

FUNERAL OF H. T. MARTIN.

G. A. R. Post Conducts Services at Arlington for Former Comrade.

The body of Henry Thompson Martin, who died Monday, was interred in Arlington Cemetery yesterday afternoon, following services at the residence, 3219 Eleventh street northwest, conducted by Rev. J. D. Bloodgood, chaplain of Lincoln Post No. 3, G. A. R., of which Mr. Martin was a member. The services at the cemetery were conducted by A. B. Chatfield, commandant of Lincoln Post. The pallbearers, members of the G. A. R., were S. W. Elder, W. T. Evans, S. W. McDermott, J. A. Bloodgood, G. M. Waters, and Daniel Williams.

Mr. Martin was born in Camden, Carroll County, Ind., in 1841, and came to Washington five years ago from Topeka, Kans. During his residence here he has been an employee of the United States Pension Office. He was a member of the Metropolitan Methodist Episcopal Church of the Stamp, and during the civil war he served in Company B, Forty-sixth Indiana Volunteer Infantry, and his record was most honorable.

Mr. Martin is survived by his wife and daughter, Miss Maud Martin.

CLASS HOLDS ELECTION.

Spirited Contest Held by G. W. U. Senior Law Class.

After a spirited contest lasting several hours, Frank F. Ford, of Michigan, was last night elected president of the senior law class of George Washington University.

The race was a close one, as the other three candidates, William G. Brantley, Charles F. Black, and H. J. Kittelman, each showed considerable strength. It was only after the eighth ballot that Mr. Ford was elected. Other officers elected were Charles F. Black, treasurer, and Julian Bearman, secretary. The new elected president is a member of Kappa Alpha fraternity, and the legal fraternity of the Phi Delta Phi. To properly celebrate the occasion it was arranged to treat the new officers a banquet at Rauscher's in the near future.

The Secret of a Beautiful Complexion

Constitutional Treatment Will Accomplish More in a Week Than Local Applications in Six Months.

Contrary to general opinion the acquiring and maintaining of a perfectly clear and faultless complexion does not depend upon the application of local treatments, but upon the internal condition of the system. The secret of a beautiful complexion is a healthy internal condition, and having this, the use of the perfect internal treatment, which is a perfect system of blood-purification, will result in a clear, healthy complexion, free from all blemishes.

Others spend much of their time in the use of the most expensive and powerful local treatments, and for the time being they succeed in getting rid of the blemishes, but the blemishes return, and the system is left in a worse condition than before.

WALSCH CAN PAY HIS DEBTS

Closes Option for Sale of His Railroads for \$27,000,000.

With Money Advanced on Deal Interest Will Be Paid To-day While Court Decides Fate.

Special to The Washington Herald. Chicago, Oct. 27.—John R. Walsh, facing to-morrow a court which has the power to order his immediate imprisonment, has closed an option for the sale of his railroads at a price which, when the sale is actually concluded, will enable him to pay off his debts and even leave him well-to-do.

The immediate fact is that the United States Steel Corporation, through J. P. Morgan & Co., has advanced \$100,000 to Mr. Walsh to bind a long option for the purchase of the railroads at a price said to be near \$27,000,000.

With the money paid down for this option, Mr. Walsh to-morrow will pay the interest on the note of \$712,187, held by the clearing house banks of Chicago, which interest amounts to \$712,187, and thereby will gain time in which to close up the details of the prospective transfer of his properties.

In New York to-night George W. Perkins, Mr. Morgan's right-hand man, denied the purchase of the road had been completed, but in Chicago a director of the Chicago, Milwaukee and Gary Railroad, a local United States Steel road, stated positively that the option money—\$100,000—would be paid to-morrow, and that there was no reason to believe the purchase would not be completed within the next few months.

Mr. Walsh's lawyer, E. C. Risher, said to-night that money had been secured for the payment of the \$712,187 interest. He would not say who furnished it.

INITIATED INTO MYSTIC ORDER.

Special Session of Kallipolis Grotto in Masonic Temple.

At a special session of Kallipolis Grotto, No. 15, Mystic Order of Veiled Prophets of the Enchanted Realm, last evening, in Eastern Star chamber, New Masonic Temple, a class of about forty candidates was received into the jolly band, to which all Master Masons are eligible.

Another initiation will be held next month, and in connection with it an elaborate banquet will be served. The forthcoming function will be one of the big events of the Grotto this season. The new and gorgeous regalia, now being built, will have arrived by that time, and the honors of the occasion will be put through in full ceremonial form.

The second night was called by the monarch out of pure love, and for the benefit of the lame, the halt, the blind, and others who were not anxious for all of it. No favoritism, however, will be shown as the initiation, when all old stunts and some new ones will be sprung.

Those who piloted the initiates were: Monarch, Edward S. Schmid; chief justice, J. W. Collins; associate justice, John H. Shreve; master of ceremonies, Samuel E. Shreve; treasurer, Joseph H. Current; secretary, H. L. Strang, Jr.; venerable prophet (veiled) and marshal, Thomas H. Walker.

Those admitted into the realm were: Edward B. Campbell, W. E. Dunnington, Thomas W. Robinson, George W. Kramer, W. F. Gude, W. H. Landvick, May 1884, George H. Van Carter, Smallwood, Louis Hartig, John H. Carter, Ellis H. Kingsley, Castellan P. Boss, John Wischenus, Harry Gardner, Frank H. Hunsley, Harry G. Minster, Virgil M. Fokes, W. H. Ernest, Charles E. Perry, Charles S. Young, Raymond W. Pullman, Edward E. Marlon, George E. Hubbard, Charles A. Higgleman, Gustave Hornung, Edwin M. Shriver, John H. Hunter, George A. Collie, George H. Van Kirk, George A. Reed, William O. Owen, George C. Gwener, and F. S. McCutchan.

Kallipolis Grotto was instituted in Washington, May 1884. Interest in the organization waned somewhat previous to last May, since which time enthusiasm has been infused, and the membership has increased by nearly eighty Master Masons. The rebirth of the Grotto is due largely to the efforts of Messrs. Schmid, Collins, Strang, and Current.

RECRUIT FOR INSURGENTS.

Gov. Burke May Name T. W. Marshall to Succeed Senator Johnson.

Fargo, N. D., Oct. 27.—Thomas W. Marshall, a Republican of Oakes, N. Dak., is slated to succeed United States Senator Johnson. It is understood Gov. Burke has agreed upon him and will withhold the announcement until a fit interval after the funeral of the former Senator.

Burke is charged with bargaining with insurgent Republicans of North Dakota for re-election by the selection of one of their leaders. The succession of Johnson was anticipated by the party, and numbers of them have been feverishly seeking the place.

The surprise choir of St. Aloysius Church, under the direction of choir-master Ernest T. Winchester, gave a notable programme of music last evening in Carroll Institute, for the benefit of the assistant choirmaster, Harry T. Maxwell, who has been ill for several weeks past. The musical numbers included Rheinberger's "Gloria in Excelsis," de Koven's "My Miller," Shelley's "Hark, Hark, My Soul" and Cowen's "Bridal Chorus."

Those assisting were Sidney Lloyd Wright, Thomas Evans Greese, Dana Holland, Henry Jaeger, Melville Heuse, Victor Goltbart, Franklin Howe, Miss Grace Frechy, and a double quartet from St. Paul's choir.

Torpedo Boats Named.

Following the usual custom, Acting Secretary of the Navy Whitnorr yesterday assigned names of distinguished naval officers to the five torpedo-boat destroyers authorized at the last session of Congress. They will be known as the Ammen, Trippe, Walke, Patterson, and Monaghan.

Celebrated Soldier Suffering with Pneumonia at Home Here.

Brig. Gen. John J. Coppinger, U. S. A., retired, is seriously ill at his home in this city with an attack of pneumonia.

JUSTICE PECKHAM BURIED.

Gov. Hughes, D. B. Hill and Prominent Jurists Attend Funeral.

Albany, N. Y., Oct. 27.—United States Supreme Court Justice Rufus W. Peckham was laid to rest in the Rural Cemetery here this afternoon. The body was brought to Albany on a special train from the family summer home in the Heidelberg Mountains, and was met at the station by the local pallbearers and Justice Edward T. White, representing the Supreme Court.

The services were in St. Peter's Protestant Episcopal Church. The honorary pallbearers, headed by the marshal and clerk of the United States Supreme Court, led the funeral procession, and were the immediate escort of Mrs. Peckham, Mrs. Henry A. Peckham, a daughter-in-law, accompanied by Parker Corning, and relatives.

Rev. W. W. Battershall, the rector of the church, officiated, assisted by the Right Rev. Alexander H. Vinton, Bishop of Western Massachusetts, a cousin of Mrs. Peckham.

Gov. and Mrs. Hughes, David B. Hill, and the leading judges and justices of the State also attended the services at the church, as well as the members of the bar, and the dead jurist's many Albany friends.

Chief Justice Fuller, in commenting upon Justice Peckham's death, said: "I am in the condition of mind that John Bright was when he rose in the House of Commons to speak in reference to the death of Mr. Cobden. He exclaimed: 'I never knew how much I loved him until I lost him.' Then he sat down."

AUSTRIAN WAR PREDICTED.

Vienna, Oct. 27.—The Vaterland, a clerical newspaper, which is reputed to have the relations with King Ferdinand of Bulgaria, prints a striking comment on the meeting of the Czar and King Victor Emmanuel at Racooni.

Condemning the pretense on the part of the government journals that the meeting was without significance, the paper declares that Russia and Italy have nothing in common in the Balkans except antagonism to Austria.
